WELCOME

Hello and Welcome to the LA Mart at The Reef

As we begin 2017, LA Mart is elated to be offering fresh and exciting new lines from our showrooms here in Los Angeles. LA showrooms proffer a perspective that defines our line offerings as artisanal and one-of-a-kind united with the best National brands you've come to expect. We are your most prolific resource for dynamic, cutting-edge wholesale showrooms, and exciting new temporaries housed in our state of the art 2nd floor exhibit hall. Further, to expand the ordering options for our new and loyal buyers, we are presenting "Kids Collective" on our third floor, which only continues to solidify LA Mart as your leading West Coast wholesale resource for Gift and Home.

Temporaries return to the LA Mart! In our on-going commitment to present an exciting market with more lines and more selections than ever, LA Mart continues its partnership with Urban Expositions, to bring you California Marketplace Temporaries located on our second-floor trade-hall. With hundreds of new selections, these temps showcase some of the most interesting and unique lines that in many cases are only available in California and only here at the LA Mart. Be sure to shop the temps because at the end of the Winter show, they will be gone until our **Summer Market July 20-24, 2017.**

Kids Collective, a thrilling new collection made up of dozens of kid's gifts, apparel, fashion accessories and toys will be occupying over 6,000 square feet of showroom space on our third floor in spaces 305-308. These dynamic lines all transported from the intertwined world of apparel at the California Market Center, will be showcased by 11 of the CMC showrooms relocated to the LA Mart especially for our Winter Market. Watch for never before seen kids lines and merchandise in this collective, that will dazzle and intrigue the savvy buyer who realizes that kids and baby is an always-active category that is consistently in high demand.

LA Mart Design Center has it all! Located on floors 1,9,10, & 12 as well as interspersed throughout the gift & home floors, LAMDC is at your service with a dramatic selection of the finest and most beautiful furnishings, home accessories and finishes available

anywhere in Los Angeles. Championing every home décor category imaginable, LAMDC offers furniture, flooring, rugs, lighting, upholstery, outdoor furniture, wall coverings and case goods, creating the ideal destination for designers and buyers to shop everything they'll need to manage and their interior design endeavors.

Enjoy our over 35,000 square feet of new and expanded showrooms all ready and waiting to give you the most selection and the best service you'll find in any market anywhere. And as the principal wholesale gift + home + design center buying destination in the Western United States, we are committed to providing our attendees with an unrivaled selection of world-class product lines and brands, many of which are only available in our Los Angeles marketplace.

Our commitment to the buying community remains steadfast! As we join the incredible renaissance of Downtown Los Angeles - now simply referred to as "DTLA," we continue to offer buyers, designers and their discriminating clients access to the most comprehensive collection of gift, home, decorative accessories and furniture found anywhere on the West Coast.

As always, please be reminded that not only is the LA Mart the West Coast's biggest and best at Market time, but we are open to serve buyers Monday through Friday, from 9am-5pm.

Happy Shopping at the LA Mart!

SHOWROOM TALK

“
Buyers can easily access the Mart and view lines not available at any other location.

LA Mart provides well planned and executed shows, numerous amenities for our buyers, a genuine friendly welcome, and an invitation for food and drink along with a positive experience.

Gus Dallas, Gus Dallas Ltd, Suite 870

“
We like the personal attention we get from the LA Mart,

as everyone is very easy and nice to work with. We have a lot of local customers who like to come to shop and love the fact we are open 5 days a week. Our marketplace has a good vibe and presence as soon as anyone walks in the door.”

Cathy Campbell, Gifts of Nature, Inc., Suite 348

“
Joanne & Company continues to thrive at the LA Mart.

Our showroom is open 5 days a week and our customers find the building easy to shop and enjoy the variety of merchandise that they can view and order in person.

Joanne Rackow, Joanne & Company, Inc., Suite 340

“
The LA Mart is great, and more and more buyers are using the LA Mart on a regular basis

I'm seeing more buyers from other parts of the country.

The LA Mart also provides for a new store owner to visually see product in a beautiful aesthetic and get ideas on how to best merchandise in their own stores.

Lynn Mitchell, Lynn Mitchell Group, Suite 856

“
The LA Mart is a great resource for many different types of buyers...

retailers, designers, event planners, fashion, specialty grocery stores, museum and book stores. We are open every day and draw on a population of 10 million people in LA County alone, so the opportunity to meet and work with all types of buyers continues.

Matthew Katzenson, Fine Lines, Suite 405

“
Choosing the LA Mart to expand the exposure of LONI M DESIGNS was a no-brainer.

Being part of an environment that is capable of transforming to accommodate the evolving downtown community and offering designers broader choices is energizing. The LA Mart has become creative in merging furniture design, art, and current trends all in one building.
